

Okanogan Valley - Community Drought Meeting

Wednesday, July 22nd, 2026 | 6:00pm-7:30pm

Tonasket Community Cultural Center (CCC)

AGENDA:

6:00 Welcome & Presentation (20 minutes)

Summary of identified risks for Okanogan County.

Update on the Local Drought Preparedness Project (LDPP).

Discuss recent trends, local drought conditions, and research data.

Presentation questions (5-minutes).

6:20 Activity - Community Brainstorming Workshop (50 minutes)

Discuss identified drought risks and brainstorm project ideas! (30 mins)

Walk around the room and write on flip charts OR share in groups at tables:

- In what ways have you personally experienced these drought risks?
- What projects could benefit you/help you become more resilient in times of drought or water shortages?
- What projects could benefit the larger community?

Group Discussion (20 mins)

Expanding the Scope to the Community-Level

- Look at examples of community-level projects
- Share and discuss project ideas

7:10 Takeaways & Q&A (15 minutes)

What questions do you have from the presentation, about drought risks and projects, or about the Local Drought Preparedness Plan?

7:25 Next Steps & Closing (5 minutes)

Summarize and discuss drought risks and impacts from mapping exercise

7:30 Adjourn
