

CWPP - Kickoff Planning Session

Session 2 – CWPP core planning committee

10:40 – 11:00 Status update & designate tasks and committee roles

- 1) Community engagement – Public meeting planning details; preparing, hosting, activities, assessing information, outreach materials, survey analysis, final partner meeting.
- 2) Hazard and risk data analysis – up-to-date wildfire data, historic burns, risk hazard (likelihood and intensity) and vulnerability (exposure and susceptibility), considering moderate-extreme temperatures, etc.
- 3) Prioritization and capacity – identifying gaps and needs to respond, capacity and available resources, compiling feedback for consideration, HOW we will prioritize varying goals, determining short-term/long-term goals and recommended actions.
- 4) Document Generation – Filling in the document, documenting the process

11:00 – 11:45 Action items

- Partner groups – Is anyone missing?
- Guidelines for Conflict resolution
- What components for hazard risk analysis to include (see visual)?
- Define the WUI
- Community Meetings – who, where when
- Survey analysis - what do you want to know?

11:45 – 12:00 Closing discussion and next steps

- Future planning meetings; 2x per month, Wednesdays, 1-2 hours?
- Incorporating partner comment/feedback
- Other?

12:00 Adjournment
