

Community Wildfire Protection Plan (CWPP)

Public Meeting – South OK County

Pateros Fire Hall

Thursday, 04/09/2024 | 5pm–7pm

The Okanogan Conservation District is leading the update of the Community Wildfire Protection Plan (CWPP) for Okanogan County. Local agencies, organizations, Tribal government leaders, fire districts, cities/towns, and other community leaders are collaborating on this process.

This community meeting is an opportunity for residents and business owners to engage with CWPP partners and discuss community-level wildfire concerns and values at risk.

We will share the goals and action steps for updating the CWPP, map community values, and gather comments and project action ideas. To learn more about the CWPP, planning session summaries, and current progress, please visit:
